WASHING INSTRUCTIONS

Machine wash in warm water with mild detergent or soap for 10-15 minutes. Water temperature should not exceed 160°F (71°C). Rinse in cold water. Tumble dry for 10-15 minutes, not exceeding 150°F (67°C). Terry products may require additional drying time. Do not use bleach or dry cleaning solution.

CAUTION

The degree of heat resistance a glove may offer is directly related to the duration of exposure and weight of the object being handled.
