

# Y2020

Goatskin Leather 14" Stick (Arc)  
Welding Glove with Lined Back and Gauntlet Cuff

Wells Lamont Industrial's Y2020 Premium Goatskin Stick (Arc) Welding Glove is designed for durability, protection and dexterity in metal fabrication. Features such as a goatskin leather front and back of hand, a gauntlet cowhide cuff, foam-fleece back of hand lining and a reinforced thumb design make this the right glove for the job.
